Persona Snapshot

Sarah Mostafa

Age: 29

Gender: Female

Location: Alexandria

Job Title: Owner & Founder

Business Stage: Early-stage

Business Type: Owner & Founder

Industry: Handmade Products

Goals

- Build a clear and professional brand identity
- Start her business the right way from day one
- Look credible and trustworthy to customers
- Attract the right audience, not everyone
- Avoid rebranding after a few months

Pain Points

- Doesn't know where to start with branding
- Confused about the difference between a logo and a full identity
- Afraid of wasting money on the wrong decisions
- Feels overwhelmed by marketing advice online
- Her brand doesn't feel consistent or "real" yet

what she usually says

" I want to build my brand correctly from the start. "

How Tyche Should Position Itself to Her

Positioning Message:
We help early stage business owners build a clear brand identity and start marketing with confidence without confusion or wasted money

Solution

Tyche helps her gain clarity by understanding her business, goals, and challenges, then turning confusion into a clear brand direction. Through a structured brand strategy, Tyche guides her to define the right audience, build a consistent brand identity, and make confident branding decisions, so she can start the right way without wasting time or money

Ahmed Selim

Age: 30

Gender: Male

Location: Alexandria, Egypt

Job Title: Engineer & business owner

Business Age: Two years

Business Type: Small local business

Industry: Food and beverages (Restaurant)

Goals

- Increase monthly sales.
- Build stronger online presence.
- Get consistent customer inquiries.
- Compete with bigger brands.

Pain Points

- Limited time to manage marketing himself.
- Spending money on ADs with unclear results.
- Low engagement on social media.
- No structured marketing plan.

what he usually says

" I tried boosting posts but didn't see real results. "
" I need more sales."

How Tyche Should Position Itself to Him

Positioning Message:
We help small businesses owners increase monthly sales through marketing plan ,strategic ADs and strong content.

Solution

Tyche helps him that now it's time to scale with intention and consistency turns opportunities into real results.
